**THE NEW FACE OF  
ROSACEA RELIEF™**

New **PROSACEA** gel contains a medically recognized homeopathic ingredient in a topical formula that provides complete and effective treatment of rosacea symptoms including redness, bumps and dryness. **PROSACEA** gel is formulated to be gentle on skin and help soothe, calm and moisturize affected areas. With daily use, **PROSACEA** gel can provide important benefits to one's appearance and skin care regimen.

<b>Drug Facts</b>	
<b>Active ingredients</b>	<b>Purpose</b>
Sulphur 1x . . . . .	Rosacea/acne treatment gel
<b>Uses</b> For the treatment of rosacea, redness, acne and other eruptions of the skin.	
<b>Warnings</b>	
<b>For external use only</b>	
<b>When using this product</b> ■ avoid contact with the eyes ■ using other topical acne medications at the same time or immediately after this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.	
<b>Stop use and ask a doctor if</b> excessive skin irritation develops or increases.	
<b>Keep out of reach of children.</b> If swallowed, get medical help or contact a poison control center right away.	
<b>Directions</b>	
■ Read all package directions and warnings before using. ■ Use only as directed. ■ Cleanse skin thoroughly before applying medication. ■ Cover the entire affected area with a thin layer one to three times daily. ■ Massage gently until absorbed into the skin. ■ Intended for use by normally healthy adults only. ■ Persons under 18 years of age or those with sensitive or allergic skin should use only as directed by a doctor and when using, apply a small amount to a small test patch of affected skin to determine that the medication is well tolerated prior to broader application.	
<b>Inactive ingredients</b> Acrylates, aloe barbadensis leaf juice, diazolidinyl urea, lactose, methylparaben, propylparaben, tetrasodium EDTA, triethanolamine, water.
